Certificate Of Internship

This is to Certify

Pranam Prakash Shetty

has successfully completed two months internship with MARVA AI LLP as an Intern Data Scientist. During this period, he exhibited **Above Average Performance** and dedication, contributing significantly to "Stockify – Empowering investors" Project. His contributions in the field of Data Science and expertise in MLOps engineer were instrumental in achieving project milestones. We commend for his exemplary work and acknowledge their receipt of the Above Average Performance Award.
